

Postponement of deadlines for both instalments of municipal taxes in Dollard-des-Ormeaux

Dollard-des-Ormeaux, January 28, 2021 - The City of Dollard-des-Ormeaux is **postponing the deadlines for both instalments of its 2021 municipal taxes**. Indeed, the first payment is now due on **May 26** and the second on **August 25**.

The City's Council saw fit to push back the deadlines in light of the pandemic. As Mayor Alex Bottausci explains, "We wanted to give people a **break**, as many of them have been heavily impacted by the pandemic financially."

It should be noted that certain **payment methods** have changed because of the pandemic. To avoid an outbreak at City Hall, the service counter will only accept payment in cash or debit, and only by appointment.

Here are other payments methods:

- On the Internet on your financial institution's website (allow 3 working days).
- At your financial institution's counter (allow 3 working days).
- By mail or deposit in City Hall's mail box (door #2 - check only).
