

Annex 1

Form – Subsidy program Residential electric charging station

1. Applicant Information

First name: _____

Last name: _____

Email: _____

Phone number: _____

Address: _____

2. Subsidy

- A subsidy of 25% of the cost of purchase and installation, up to a maximum of \$150
- One (1) electric charging station per residence
- Two (2) electric charging stations for a property of 6 units or less
- Three (3) electric charging stations for a property of 7 units or more

3. Documents to be provided

This application must be accompanied by the following documents:

- Valid proof of ownership
- Copy of the purchase invoice with the retailer's contact information, date of purchase, description of the device purchased and the amount paid
- Copy of the invoice for the installation of the charging station with the electrician's contact information and RBQ number, as well as date and description of the device installed
- Dated and signed picture (overview) of the installed charging station

4. Application

The application must be submitted in person, by e-mail or by mail, including all required documents, to the following address:

Urban Planning and Engineering Department

Email : aui_upe@ddo.qc.ca

12001 boul. De Salaberry

Dollard-des-Ormeaux (Québec) H9B 2A7

5. Authorization

I authorize the City of Dollard-des-Ormeaux to collect all relevant information to follow-up on my request and to inspect my building to validate the installation of a residential electric charging station.

In the event that the electric charging station is not installed in accordance with the eligibility conditions, I agree to reimburse the City of Dollard-des-Ormeaux for any amount received as a subsidy.

Form submitted in paper form

I acknowledge that I have read the eligibility requirements and certify that the information and documents provided with this form are accurate, complete and truthful.
